

VDNR is a collaborative body that works for the late deafened, hard of hearing and CI users to achieve the same living conditions, rights and opportunities as other citizens in the Nordic countries.

Welcome to attend the seminar in Copenhagen 20.3.2020.

The seminar is open to all late deafened, hard of hearing people, CI-users and others interested, and we cooperate with Høreforeningen, Denmark.

For more questions, please contact to

Trine Lindhardt Gaarsdahl, Chairman for VDNR, mail: trine.benny@gmail.com

** The lecture may contain some of the following points:

The user

- how is the user informed about the possibility of writing interpretation?
- the role of the interpreter agent
- the funding process, does this include development projects?
- can the future process be more flexible?

The interpreter and the technique

- even with a summary of the spoken words, a minimum writing speed is required
- writing speed today
- writing speed tomorrow
- removed interpretation with respeaking, a possibility?

Möte i Riga på våren 2019.
